- Business sponsorship spots on webstreams
- Tech issues in the studio and with the new overnight automation / backup programming stream

**Report/discussion** on the latest with station move.

- Newcomb & Housing want to do something else with this space
- Have been searching for new spaces, working with UVA space management & facilities planner
- No space available on grounds (size + timeline)
- GM updated Leadership Team members with two options currently on the table
- Discussion among Leadership Team members centered around whether WTJU can demand to remain on grounds

**Brief report/discussion on “WTJU Stories Workshop”** – the new name for our various community interview series

- UVA Bicentennial project: collecting stories of students, alumni, staff, etc.
- Community project: collecting stories of immigrants to Charlottesville

**Brief report/discussion on Music Resource Center collaboration**

- nonprofit that teaches kids how to “lay down beats and produce music”
- MRC students could be live on WXTJ during summer
- In exchange we get to use their sweet sanctuary venue and use their promotional channels to feed students into our summer camps

**Brief report/discussion of new event calendar in development**

- SceneThink spinoff
- easier to use, automated features, etc.
- hopefully out by fall (?) for the busy season

**Virginia College Radio “unconference” hopefully in March**

- five topics: tech, outreach, content, fundraising, metrics, etc.
