

WTJU Community Advisory Board Meeting Notes – September 26, 2017

Primary discussion centered around WTJU General Manager's most recent quarterly report. General Manager went through it section by section.

Discussion continued around the possibilities for a move of WTJU's studios. UVA Student Affairs and Housing & Residence Life have other plans for the building WTJU is in. With the Provost's office, WTJU is seeking suitable space to move station operations to. CAB members shared their brainstorming and thoughts on various possibilities.

Discussion also continued about general ideas for programs, program specials, and potential community partners for engagement activities.
